#### HANDEL Georg Friedrich (1685 - 1759)

The Easter Messiah (arr. L.Shackley) 14.99  
Sinfonia (Overture); Lift up your Heads, O ye Gates; How beautiful are the Feet; Hallelujah; I know that my Redeemer liveth; Worthy is the Lamb that was slain

This companion volume to last year's "The Christmas Messiah," presents 6 more selections from Handel's timeless masterpiece, transcribed for one piano, four hands. The book starts with the remarkable "Sinfonia," with its solemn chords, followed by one of the most famous fugues in Baroque literature. Two beautiful arias allow the performers to show their expressive side, while the choruses "Lift Up Your Heads" and "Worthy is the Lamb" use the full range and force of the keyboard. The book also contains a brand new transcription of the "Hallelujah" chorus, destined to be a favourite in church services and recitals. Because these pieces were transcribed directly from the Handel score, they can be used to accompany choral performances, but they also work very well on their own
